Receive your custom Staples Advantage pricing on personal purchases in Staples stores

Your organization receives low negotiated pricing through its contract with Staples®. As a **Key Realty** employee, you can get the same great discount on your own personal purchases at any Staples® retail store.

The best part? You'll always receive the lowest available price, whether that's your contract pricing or the retail price at the time of purchase.

How your employee purchase program works in any Staples store in the U.S.:

- Get the lowest price available at the time of purchase – the in-store sale price or your custom price
- At store checkout, key in your unique phone number that you registered on Staples Advantage for retail privileges on the pin pad
- Any method of payment is accepted but note AR billing is not available
